THE CHAIRMAN WRITES

Good morning and welcome to our second Sunday football match of the season and it certainly does not seem like eight months ago that in August 1980 I was doing my first article for the programme at the beginning of the season which is now ending.

For many reasons the season has ended disappointedly but at the same time, one can look at the situation and say how lucky we are, as you all know Jimmy Bloomfield was taken ill during the season and we are now happy to say that he is fast recovering and the problems caused, threw responsibilities onto Paul Went, who undoubtedly proved his leadership ability both during that time and for the future. The tragedy that befell Steve Parsons when he had his leg broken at Grimsby, but fortunately again, we believe him to be recovering extremely well and hopefully will be ready for the start of next season. We were also faced fourteen days ago with the hospitalisation of the Club Secretary, Peter Barnes, but once again, fortunately the problems seem to have passed and he is back around with us working as hard as ever.

For much of the season we, certainly before Christmas, seemed to be riding high with the leaders of the Division and we felt fairly confident that with our new signings of Stan Bowles and Peter Taylor that we would be up there amongst the leaders at the end, but with the turn of the year our scoring ability seemed to diminish with the other problems to which I have referred weighing heavily on us all, we seemed to lose our way.

The economic recession throughout the country, indeed throughout the world, has obviously had its effect on football generally not least of all our own Club but we battle on and weather the storm and come through hopefully, smiling with determination to reach our ultimate goal of the First Division.

After a very hectic close season last year our plans are somewhat restricted due to financial pressures but also

due to the fact that we have had obtained our Certificate of Ground Safety and this year some alterations will take place but the majority of effort will be concentrated on the playing surface, which I feel everyone must agree is one of the finest in the country now, but we intend to ensure that this remains so and that never do we have to return to the problems that we had four or five years ago.

The Player of the Year awards will be made at the Centenary Dinner so we close the season without really knowing who it is likely to be but I am sure that the local press will advise our supporters of the successful individual but I would like to thank everybody for their efforts, their loyalty and in particular to congratulate John Chiedozie and Tunji Banjo in representing their National side, Nigeria, so successfully and hope that you all have a very pleasant, happy and healthy summer and we look forward to seeing you all and many more and your friends at the beginning of next season.

Thank you for your support.

Down goes Hammers' skipper Billy Bonds and that leaves team-mate Alvin Martin to contain this threat posed by Orient's Stan Bowles during last weekend's East London derby match with West Ham United. (Photo: George Flower).

ACTION REPLAY

Watford v Orient represented a Good Friday fixture in familiar surroundings for visiting striker Billy Jennings. Our picture on the left sees the one-time Watford player worrying the home defence with this outside-of-the-foot effort. Ian Moores and Kevin Godfrey, both partially hidden, have also joined this Orient attack.

Below, Joe Mayo finds himself party to a Watford goalmouth sandwich. Second half goals gave the Hornets a 2-0 victory before a holiday attendance of 12,459.

Left: Defender Nigel Gray, tracked by Watford's Luther Blissett, has temporarily moved up front during the closing stages of our Good Friday game.

Below: Desperate moment for Watford 'keeper John Sherwood. Joe Mayo is the Orient forward involved.

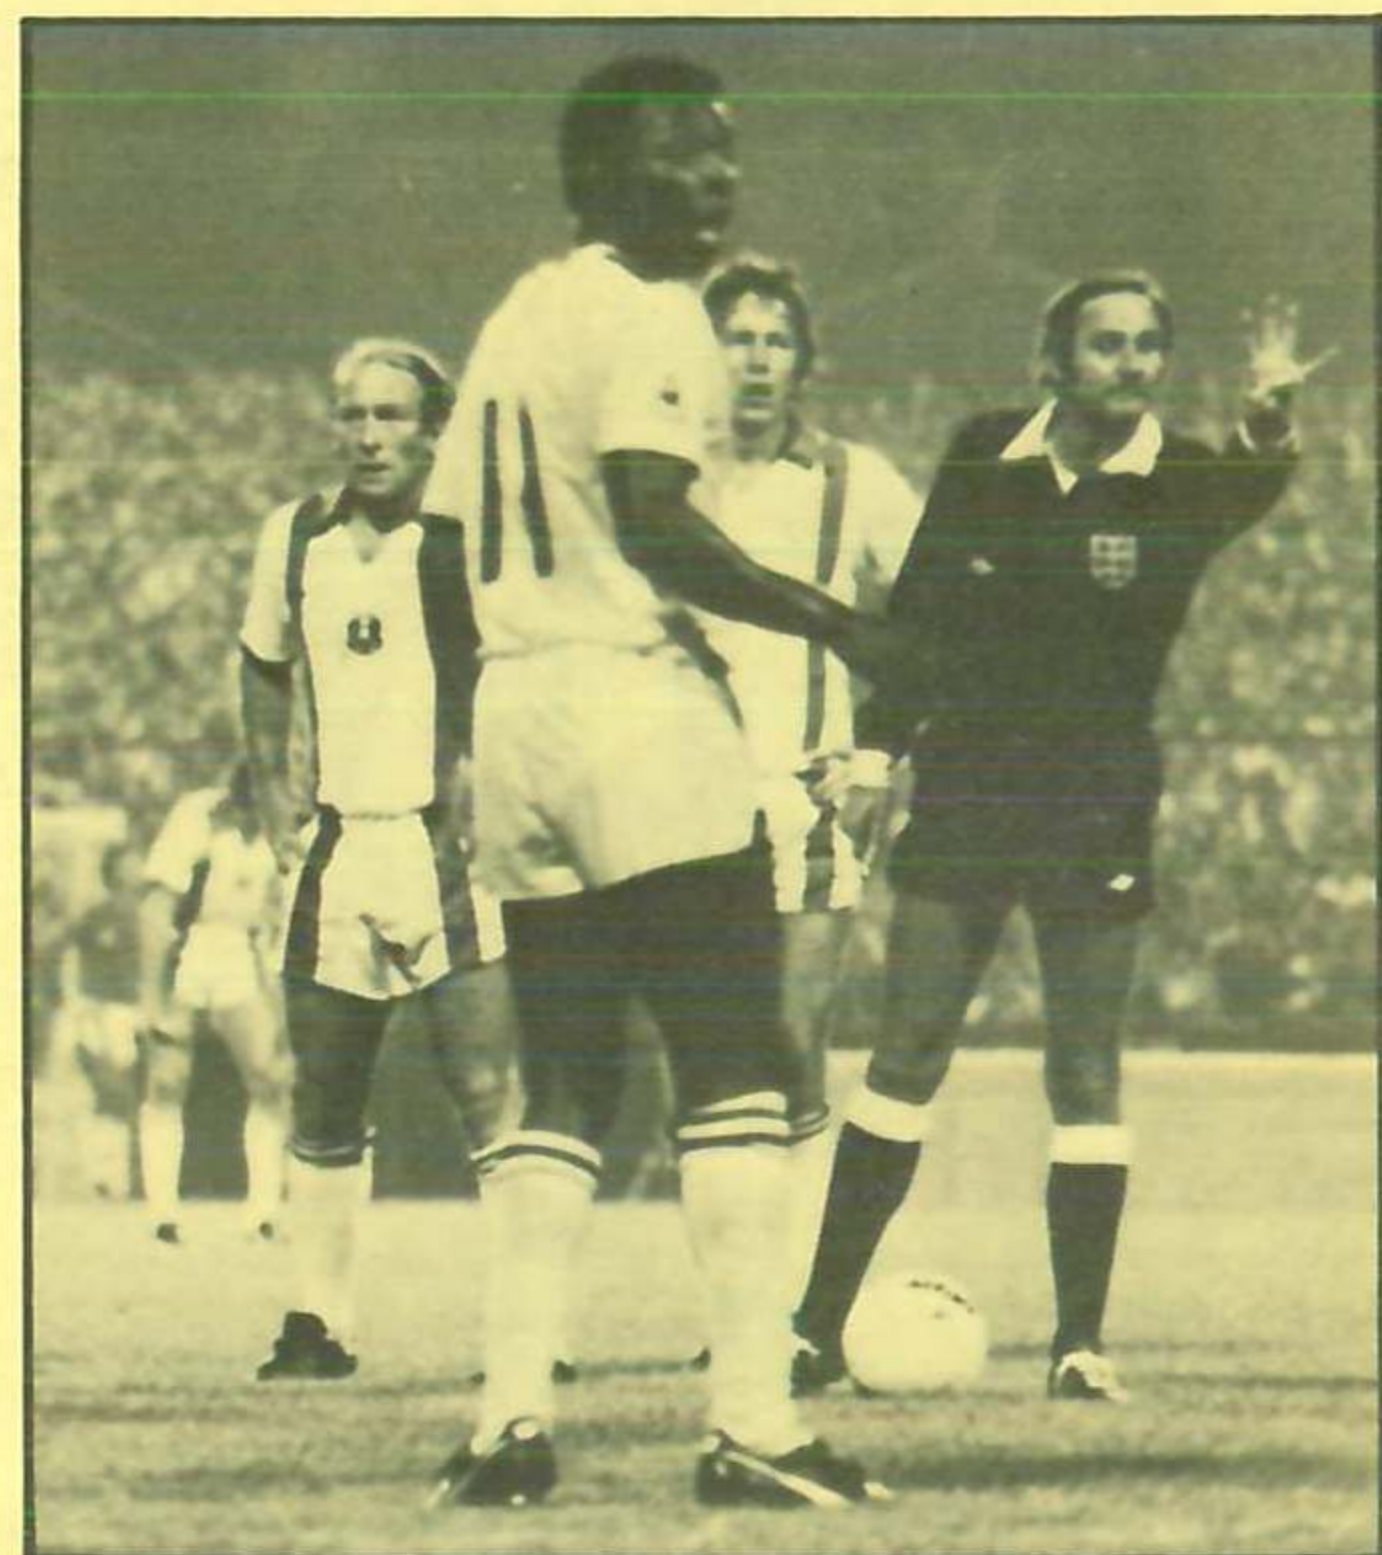

One of the most pleasing aspects of Orient's season was the Colts' progress to the fourth round of the FA Youth Cup before Mark McNeil and his team-mates, seen in action right, were knocked out by Birmingham City in a replay. Left are three more lesser-known faces to Brisbane Road's public: top far left goalkeeper Lloyd Scott; below: Nigel Meeking; and centre Tony Mercer.

A RANDOM LOOK AT SEASON 1980-81

Sad and premature end to the 1980-81 programme for Steve Parsons who suffered a broken leg during Os' 2-0 defeat at Grimsby in February.

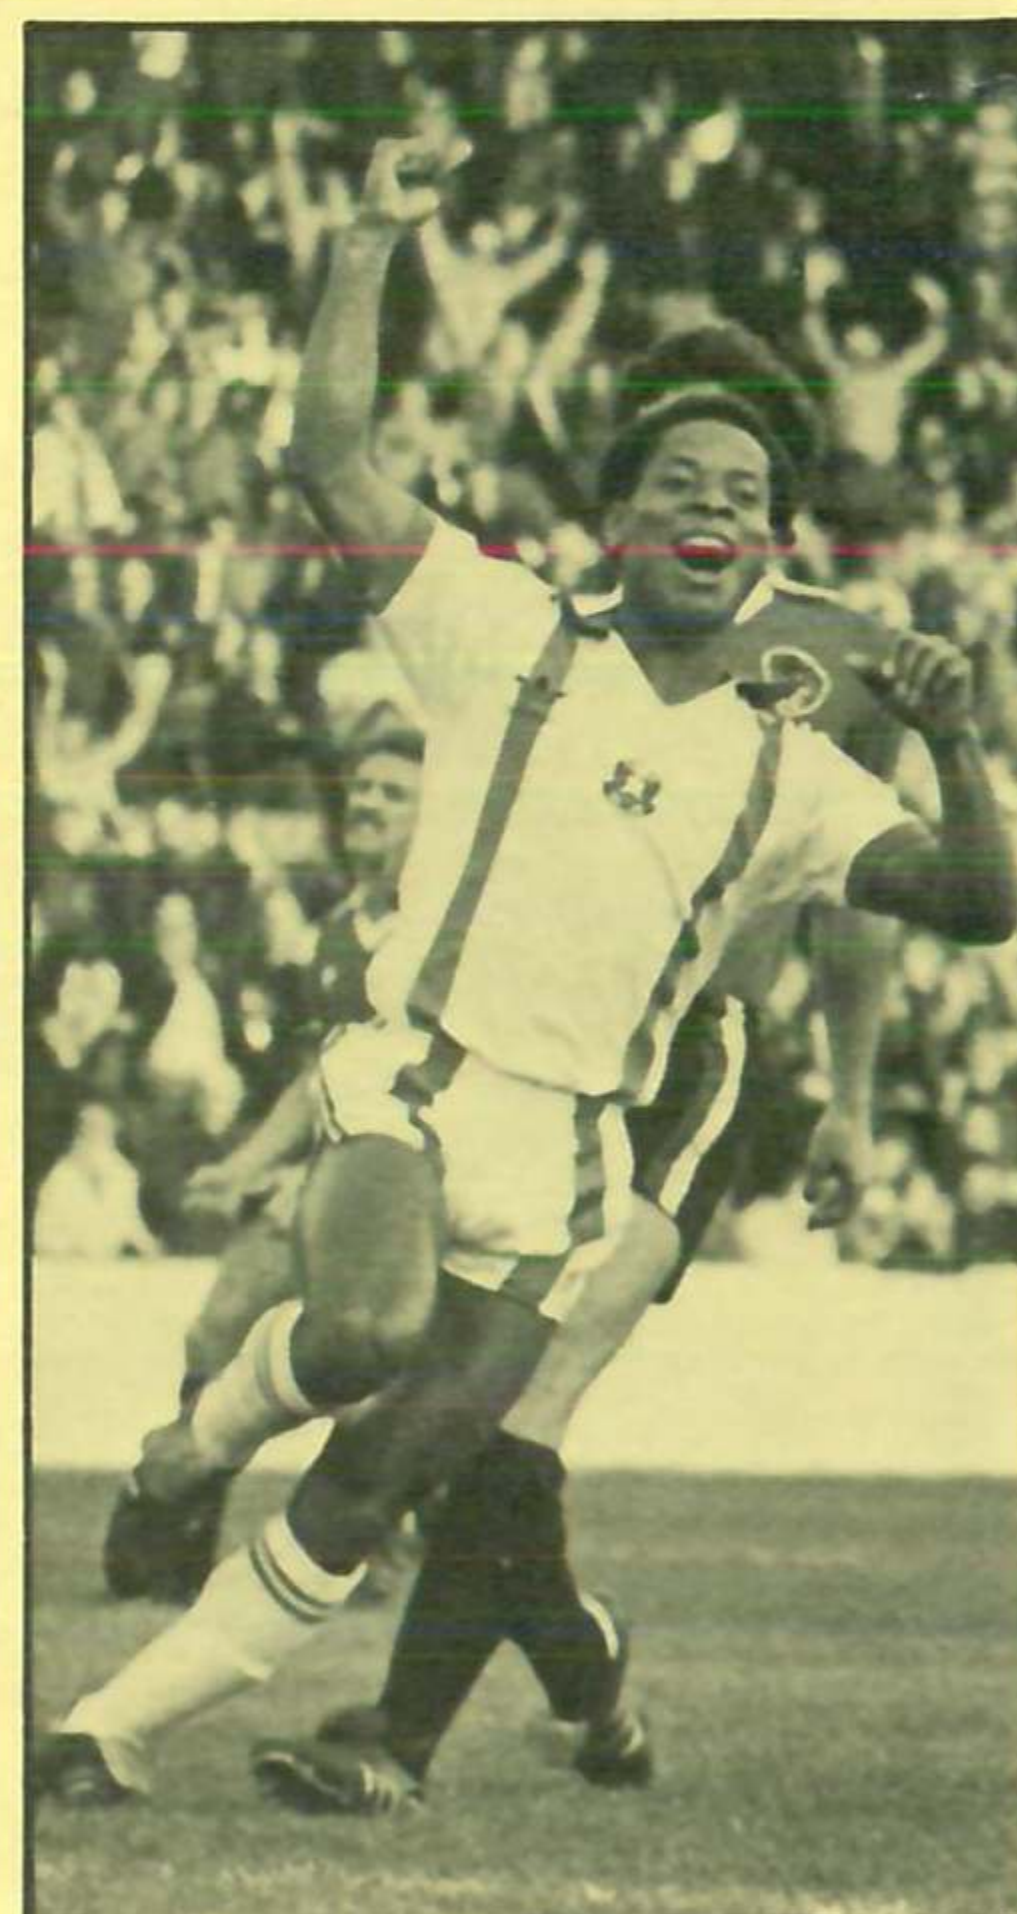

Above: Ian Moores is in the thick of the action as Os attack Oldham's goal. The match at Boundary Park in November brought Orient their first-ever victory on the Lancashire ground. Right: Typical jubilant reaction from John Chiedozie after he scored Os' winner in the eve-of-season Anglo Scottish Cup match at Leyton Stadium.

It's next stop Wembley in the FA Cup for Garth Crooks and his Tottenham team-mates. But back in October our neighbours figured in two intriguing League Cup games with Orient before reaching the third round of that competition. Ralph Coates and Tommy Taylor are also featured at this free kick during the Leyton Stadium leg.

That incredible November night at Cambridge that saw Orient defeated 1-0 in a game that might well have brought them their biggest victory of the season.

Brisbane Road Briefing

Defeats by the same 2-0 margin in our matches at Watford and against West Ham United on this ground added to a disappointing Easter programme for Os.

After a goal-less first half at Vicarage Road the home club scored twice through Ian Bolton and Kenny Jackett, although there were those more inclined to credit the latter's to Orient defender Nigel Gray.

For Watford their victory just about removed the possibility of relegation to Division Three. While for Orient this defeat was their first suffered in the course of nine visits to the Hertfordshire venue stretching back to the mid-1960s.

Possibly there was an element of inevitability about the outcome of this particular game?

One pools expert suggested that the same sort of thinking ought to apply to the Orient v West Ham United match, for the reason that match number 38 on the coupon had not produced a score draw for 34 weeks!

On a day when three-point results for punters were hard to find West Ham were by half-time well on their way to their sixth consecutive victory over Orient with goals from Jimmy Neighbour and Geoff Pike.

Hammers frequently displayed the pedigree that has taken them into Division One, yet the pattern of events might just have been different had Os capitalised on an early opportunity and had they not made unwitting contributions to both goals by the visitors.

From one spell of West Ham pressure Orient broke out spectacularly in much the fashion that brought four goals against Queens Park Rangers recently.

Peter Taylor's squared pass left John Chiedozie with a fine chance, only for our young striker to stumble as he struck his shot and Hammers survived this scare.

Indecisive defence let in Neighbour

and Pike for their decisively taken goals. And as Paul Went, who continued to have charge of the side, commented afterwards, "You cannot give this West Ham side two goals and expect to come back into the game."

Orient in the second half gambled to the extent of withdrawing skipper Tommy Taylor and playing an extra striker in substitute Joe Mayo, but ultimately our neighbours were comfortable winners before Leyton Stadium's biggest League attendance of the season.

Orient are this morning again lacking the services of John Chiedozie and Tunji Banjo, who have earned further World Cup selection with Nigeria for a return match with Guinea.

John, incidentally, scored Nigeria's goal in an earlier 1-0 win between the countries in Guinea.

Orient's Reserves, after gaining a valuable midweek victory at Bristol City thanks to a John Margerrison goal, had hopes of a further success when they led 1-0 at half-time on their subsequent visit to Southampton. Tony Mercer was this time the scorer.

Saints, however, made good the deficit in the second half and won by the odd goal, Os' cause not being helped by the hamstringing injury that Mark McNeil suffered and which caused him to be replaced.

Our Reserves were to complete their away programme at Reading yesterday (Saturday), and now have just two Football Combination engagements to fulfil here at Leyton Stadium.

These are against Chelsea next Thursday (2.00 p.m.) and against Cardiff City next Saturday (3.00 p.m.).

Latest addition to Orient's ranks of associated schoolboys is Lee Phillips, 14, a midfielder from Basildon, whom we take the opportunity of welcoming to the club.

Orient youth manager Len Cheesewright and his staff extend their thanks to all the associated schoolboys who have appeared in the club's youth teams during the past season and wish them continuing success in their careers.

Last weekend's collection at this ground on behalf of the Mayor of Waltham Forest's Benevolent Fund raised £381.45½p.

Thanks go to everyone who contributed to this cause.

A soccer statistician in Belgium is keen to obtain detailed information relating to Orient's involvement in such Leagues that operated during the Second World War.

Possibly there are older fans who can assist him? He is Mr. Raymond Gaspard, Rue Ferrer, 22 B-7100, La Louviere, Belgium.

BOLTON WANDERERS

Bolton Wanderers, as the second visitors of the season to Leyton Stadium for a Sunday game, have along with Orient, been among the Second Division clubs most ready to experiment with this change from traditional Saturday games.

Indeed, Wanderers were due to stage the first such Second Division match this season, against neighbours Oldham Athletic, only for the weather to intervene and cause a postponement, leaving this distinction to Orient who played host to Luton Town a weekend later.

Following last season's relegation from Division One, Wanderers were widely expected to figure among the promotion contenders during the current programme. But despite an abundance of goals from their several well established forwards, it has only been in recent matches that they have shaken off the threat of possible further relegation.

Wanderers' record on opposition Second Division grounds this season is:

Won 3-2 at Cambridge, 2-1 at Preston, 2-1 at Shrewsbury, 1-0 at Wrexham.

Drew 1-1 at Cardiff, 2-2 at Luton, 1-1 at Oldham.

Lost 1-3 at Bristol City, 1-2 at Bristol Rovers, 0-2 at Chelsea, 0-1 at Derby, 0-4 at Grimsby, 1-2 at Newcastle, 1-2 at Notts County, 1-3 at Queens Park Rangers, 0-2 at Sheffield Wednesday, 0-3 at Swansea, 1-3 at Watford, 1-2 at West Ham.

Bolton's 59 Second Division goals this season have been credited as follows: Watmore 13, Kidd 13, Gowing 9, Thomas 5, Hoggan 4, Wilson 3, Cantello 2, Carter 2, Nikolic 2, Read 2, Thompson, Walsh, Bennett, Griffiths (Bristol Rovers).

TERRY POOLE (Goalkeeper) Signed from Huddersfield Town in January, 1977 for £25,000. Stands 6ft. tall. First choice goalkeeper for most of the present season.

DENNIS PEACOCK (Goalkeeper) Joined Wanderers from Doncaster in March last season. Born in Lincoln, he had an earlier spell with Nottingham Forest. At 6ft. 3ins. he is one of the tallest keepers in the League.

DAVID BURKE (Defender) Appeared on the first team scene at the start of the 1978-79 season. From Winsford, Cheshire, he made his senior debut against Chelsea in the League Cup. Can play at full-back or in mid-field.

GERRY McELHINNEY (Defender) Signed from Distillery at the beginning of this season. A former Gaelic footballer and amateur boxer, he made his debut for Wanderers in September against Bristol Rovers.

PETER NICHOLSON (Defender) Signed from Blackpool for a small fee prior to 1971-72 season and has proved a fantastic bargain. Can play in defence or mid-field.

PAUL JONES (Defender) Tall, quick-tackling defender who has been a member of the under-23 and full England squads. Is a commanding player in the air and has a habit of scoring vital goals.

MIKE WALSH (Defender) Manchester-born Mike joined Wanderers from school. Has captained the side and is equally proficient in the middle of the defence, at full-back or in mid-field. Played all 42 League games last season.

PETER REID (Midfield) Joined Bolton from school on Merseyside. Was a regular member of the England under-21 side which he also skippered. A talented player whose severe knee injury put him out of action for the second half of season 78-79 and the first half of last season.

LEN CANTELLO (Midfield) Cost Wanderers a record £350,000 when he signed from West Bromwich Albion in June, 1979. Has recently regained a regular first team place.

DUSAN NIKOLIC (Midfield) Signed from Red Star Belgrade in September to strengthen the midfield. Yugoslavian-born, has represented his country at senior international level on four occasions and also has eleven under-23 caps and 24 youth international caps. Had played for Red Star in European competitions every season since 1970.

MIKE GRAHAM (Defender) Joined the Wanderers from school and made the breakthrough on to the senior scene in season 78-79. Born in Lancaster.

NEIL WHATMORE (Forward) Comes from Ellesmere Port. Strong attacker with a flair for scoring goals. Can also play in mid-field to good effect. Top scorer last season with 18 goals.

BRIAN KIDD (Forward) Member of Manchester United's European Cup winning team in 1968 and was later capped twice by England.

Moved on to Arsenal for £110,000 in 1974. Two years later he returned to Manchester to join the City club for £100,000. After two seasons at Maine Road he moved to Everton for £150,000 and last season was their top scorer. Joined Bolton for £150,000 last May.

ALAN GOWLING (Forward) Signed for a £120,000 fee from Newcastle United three seasons ago after four years at St. James' Park. Born at Stockport, he started his career with Manchester United and then moved to Huddersfield.

JOHN THOMAS (Forward) Speedy striker who was given his chance in League football when he joined Everton. Signed for Wanderers on a free transfer last June on the recommendation of his former team-mate Brian Kidd.

CHRIS THOMPSON (Forward) Joined Wanderers from school as an apprentice and signed full professional forms in July, 1977. Represented England at youth level.

MIKE CARTER (Forward) Had loan spell with Mansfield in the 1978-79 season making 18 League appearances and scoring four goals. Made League debut for Wanderers against Bristol City in December, 1979. Scored his first League goal later that month in the dying seconds to snatch a home point against Everton after coming on as substitute.

PHIL WILSON (Midfield) Had memorable baptism in Wanderers' League side, making his debut at Arsenal in February, 1980, then playing at Manchester United and against European Champions Nottingham Forest — all in the space of eight days. Born Hemsworth, Yorkshire, he joined Bolton as a schoolboy in February, 1976 and became a full professional in October, 1978.

MICK BENNETT (Defender) Member of the England Youth squad which won last summer's European Championships in East Germany. Made his League debut at Everton last year. Bolton born and an ex-Wanderers apprentice.

DAVID HOGGAN (Midfield) Joined Bolton from Tynecastle Boys' Club, Edinburgh, as an apprentice in November 1977 and signed full professional forms in August 1979. Made his League debut at Bristol City last April. Enjoyed a spell of Second Division goal scoring earlier this season.

TODAY'S REFEREE

**G J NAPTHINE
(Leicestershire)**

Began refereeing in 1959 in Junior and Senior Leagues in Leicestershire. Promoted to Football Combination in 1966 and then to the Football League in 1971. Officiated in the Anglo-Scottish Semi-final in 1976 and a European Cup Quarter Final in 1979. Hobbies include cricket, tennis, swimming and gardening.

Married with three children and is an assistant engineer. Chairman of Football Combination Referees Association.

This morning's final home League match marks the end of the careers of Leyton Stadium ball boys Tim Nurcombe, left, and Angus Murray-Carter. Both come from Chingford and their "retirement" coincides with their leaving school. Tim has done the job for a year. Angus is a veteran of three years service, during which time he has just once incurred the displeasure of a referee for not retrieving the ball quickly enough. The official in question happened to be Mr. Clive Thomas. (Photo: George Flower).

An Insight Into Our Behind The Scenes Personalities

A SUNDAY MORNING REFLECTION

It's the last home fixture of a season of high hopes and maybe's.

It's Sunday morning and perhaps the most significant happening of Orient's 1980-81 season has been the occasional change to the home match day we wanted. But it is still an experiment, so we will have to wait for the conclusions.

For me this column has been an interesting assignment. I have been behind the scenes of Leyton Stadium and seen what makes a club tick.

Although an O's supporter for some 50 years, I have been surprised at what really goes on. And it's been great meeting the personalities.

I missed out in not presenting among others Jim Hallybone and Stan White. I

would have liked to include the tea lady, somebody from the new catering staff or perhaps a regular at the turnstile or one of the cheerful chappies who check the Stand tickets.

I could have included an official of the St. John Ambulance Brigade, or even the harassed "Bobby". I also had hopes of hearing the view of a player's wife but it was not to be. To those who were included I say thanks for the pleasure and assistance. To the others, maybe another time....

It's strange that with all its ups and downs soccer still has that strange hold of making the dedicated fan come back for more.

So as I sign off the toast must be to the fans up front. Perhaps next season I will be given the challenge of meeting and getting your views.

That could be interesting!
JOLLY GOOD LUCK.

J.J.

Having both been West Bromwich Albion players earlier in their respective careers, possibly West Ham striker David Cross and his Orient counterpart Joe Mayo were talking over old times at the Hawthorns during this lull in the action during last weekend's East London derby game? Although today marks the conclusion of senior team fixtures at Leyton Stadium for 1980/81 we remind our members and O's followers generally that it remains very much 'business as usual' at the Supporters' Club which of course operates throughout the year.

Indeed, it is important both for the continuing development of our club and for the assistance we are able to give to Orient FC that members make use of the facilities as often as possible during the summer as well as in the football season.

As is my customary end of season practice, I would like today to thank publicly my fellow committee officers – Frank Woolf, Lou Day, Mike Childs, Paula and Tricia Baker, Bill Linnell and Ken Durrance – for their hard work and enthusiasm without which the club would not be able to function successfully.

My thanks also to the many supporters who have helped the committee and the club in so many various ways. In particular Bill Walden, Jim Sawyer, John Quirk and Mary Day.

During the season we have presented a wide range of social events, including cabaret nights, discos, a Centenary reception, a "Miss Orient" competition and a "Meet the Chairman" night with Mr. Brian Winston.

The committee would like to thank all those supporters who have attended and taken part in these various functions, many of which will become regular Supporters' Club events. Likewise, we wish to express our appreciation to all those members who have participated in our darts and football sections. They have all represented the club extremely well in their various competitions. The two football teams, as with the two darts teams, experiencing rather conflicting fortunes.

The first team football squad in the Forest and District League fifth division, finished in a promising fourth place whereas the second team in division six of the same League occupied a lowly position all season but still maintained their enthusiasm.

In all the darts competitions the gents' team in the North East London Premier League failed to produce the good form which put them in such good stead during the previous season, whereas the ladies in their first season in the Walthamstow and District Ladies League finished as runners up in division two and so gain promotion. Our congratulations to them.

A busy season at the Supporters' Club once again. Hopefully even more of you will join us and take part in our many activities next season. In the meantime we look forward to seeing many of you at the club during the summer months.

Thank you for your support.

**Dave Dodd, Chairman,
O's Supporters' Club.**

Orient's Henry Hughton spent the greater part of last weekend's East London derby match with West Ham marking the redoubtable Trevor Brooking, a task for which he earned plaudits from several quarters. ORIENT IN RETROSPECT

NEIL KAUFMAN of The Financial Times Ltd. has again this season been a regular contributor to the club's Match-day Magazine, his researches having been the basis of the regular feature, Orient In Retrospect.

In addition, he was the author of ONE HUNDRED YEARS OF ORIENT, the club's official centenary handbook.

EDITOR'S NOTE

At the conclusion of another season the thanks of Orient Football Club and my own are extended to the regular "external" contributors to this Match-day Magazine, namely columnists Dave Dodd, Jack Josephs and Neil Kaufman, never forgetting photographer George Flower. Not once in the course of 25 issues has any one of them missed a deadline. A notable record indeed. Thank you, Gentlemen. — D.A.

INFORM ORIENT

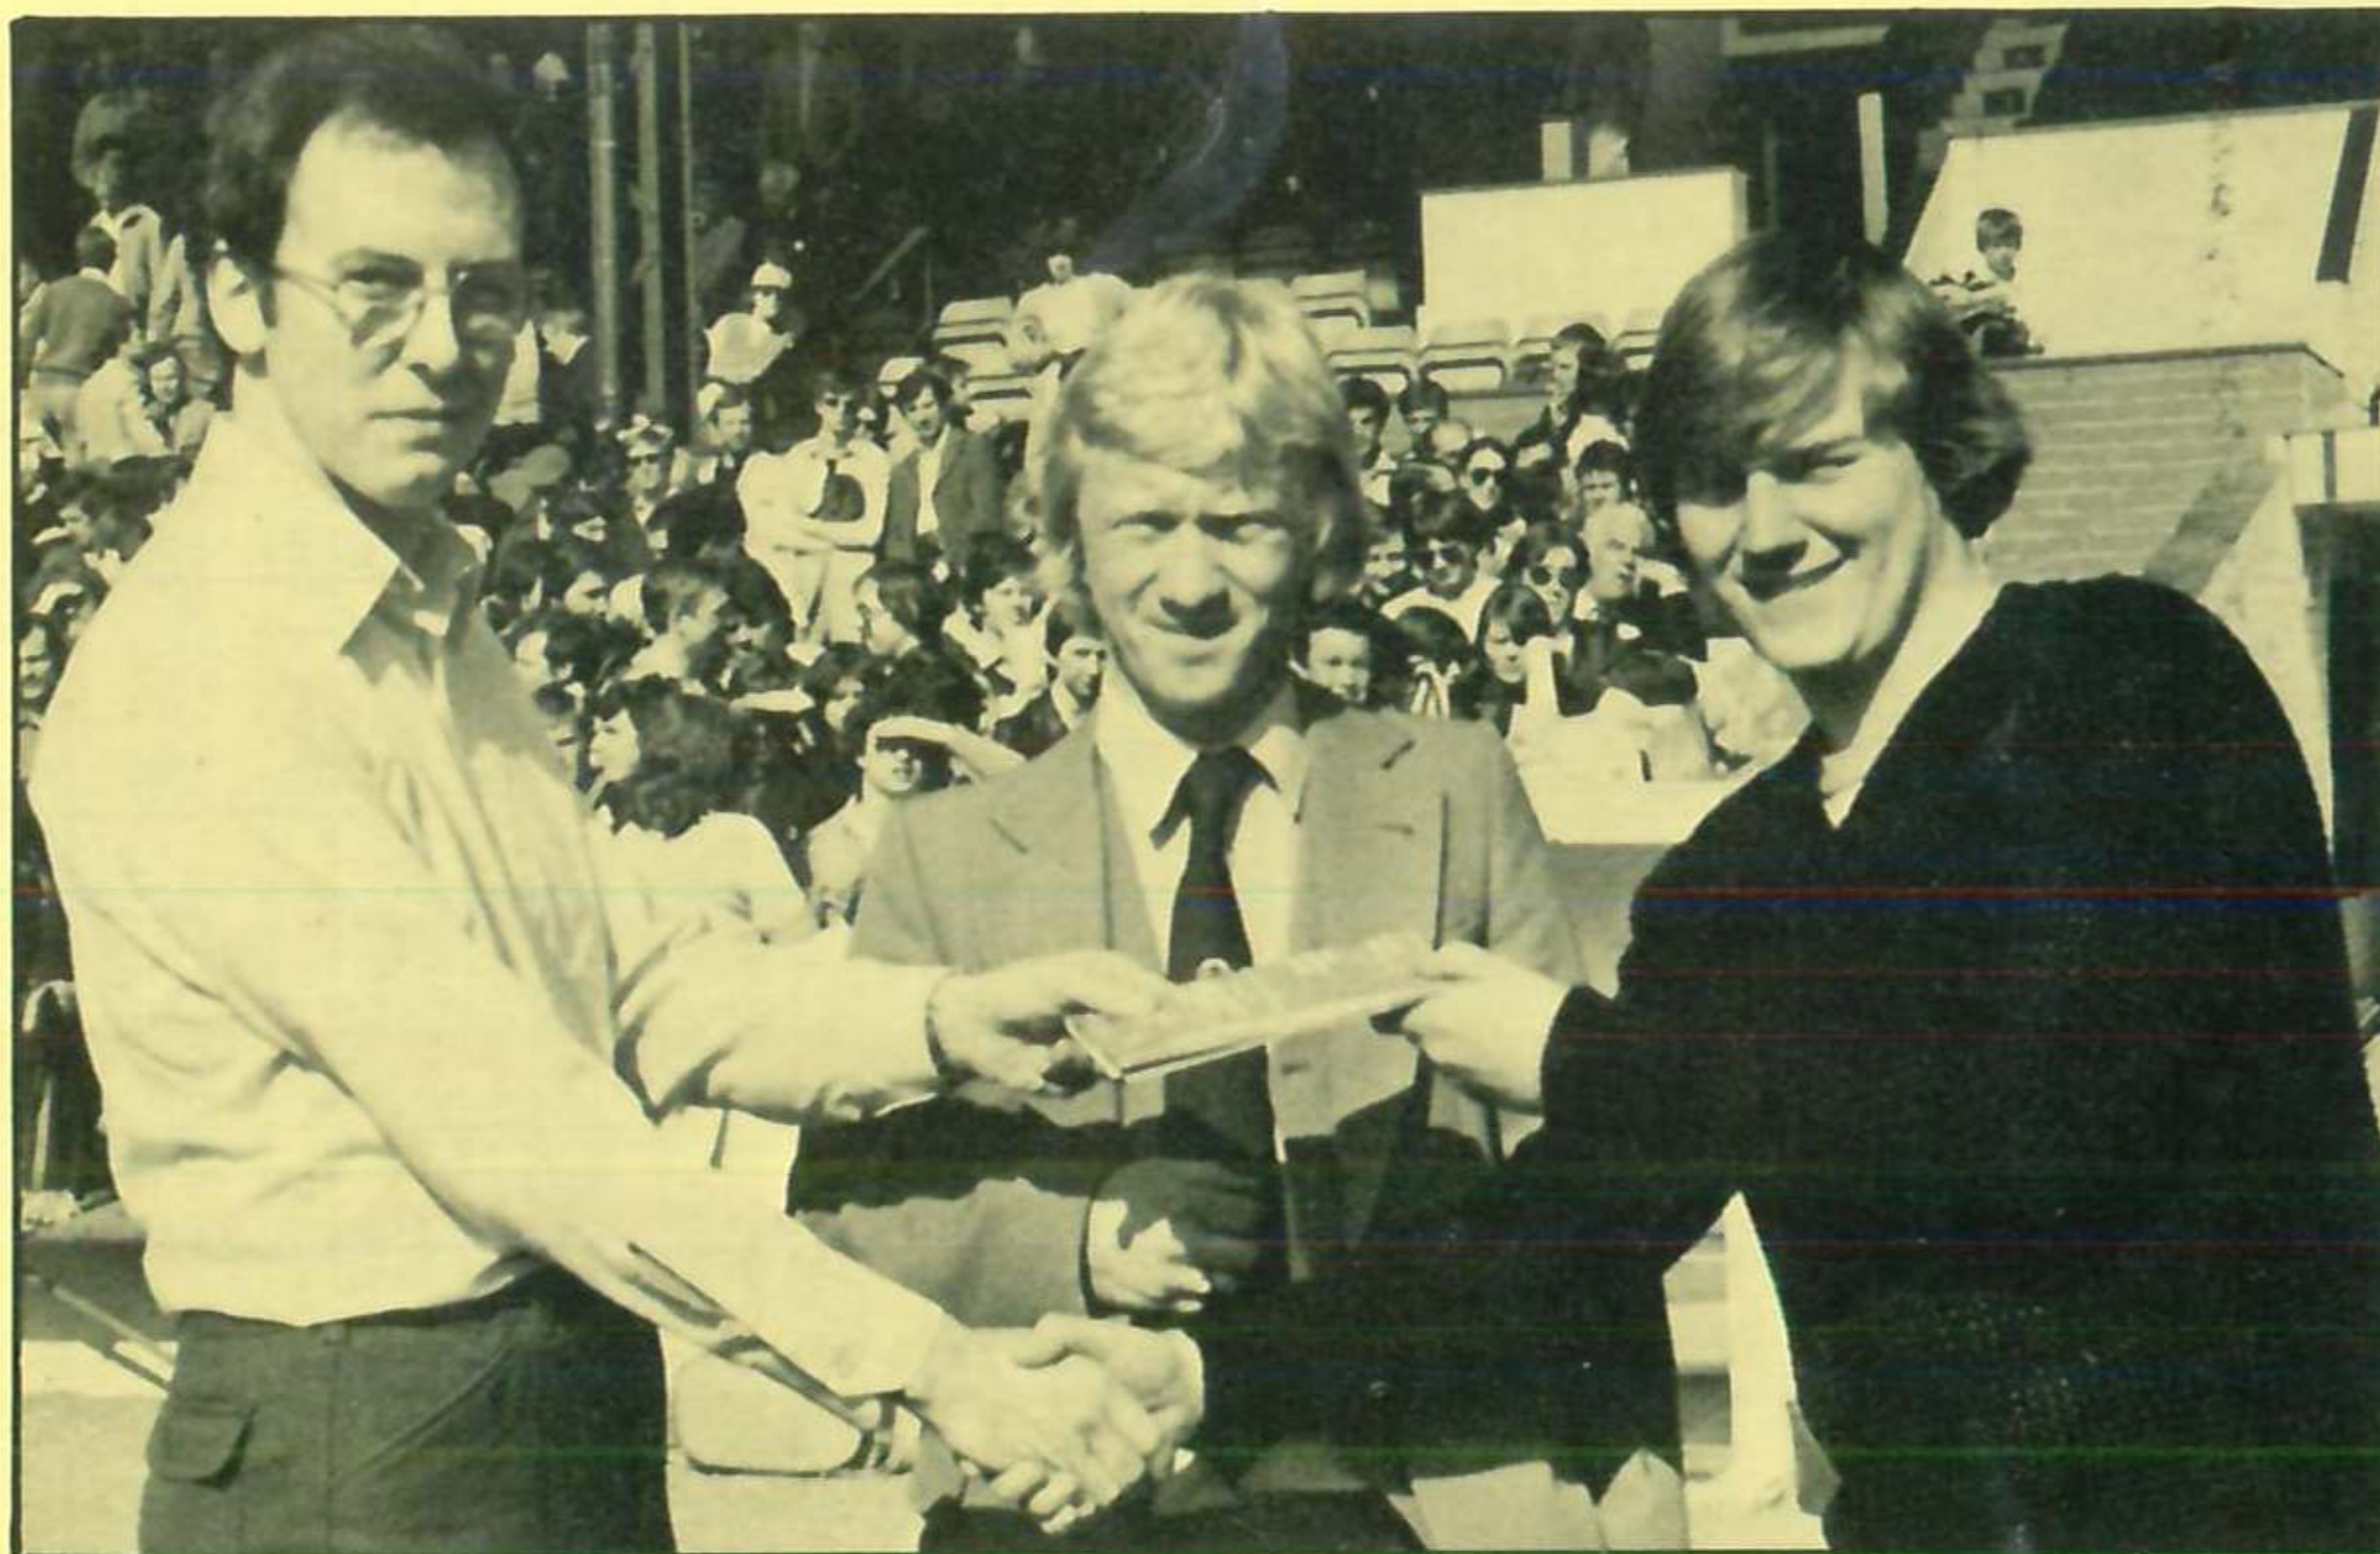

At the end of yet another season I would first like to thank all our agents and customers who have sold and bought our lottery tickets over the past twelve months.

Obviously every ticket sold is of great assistance and help to the club. Once again thank you, and we hope you will carry on the good work during the summer months.

During the season we have transformed our High Road premises from a supporters' shop into a full sports goods store. This has proved to be a highly successful and profitable venture. Far more so than anticipated, in fact!

Next season we intend to develop this enterprise further and expand our stock range to incorporate every facet of the sports and leisure spheres.

Suppliers will include Adidas, Dunlop, Umbro, Le Coq Sportif, Patrick, Sondico etc. Over the next few months these brand names will be introduced into our shop and you are strongly

Winner of a free trip to Paris in a draw among Orient's lottery agents was Mr. Mann, of Grove Green Road, Leyton. urged to "watch this window". There will be some fantastic goods on sale.

In the meantime, we have numerous items of stock appropriate to the holi-

day season ahead, such as tee-shirts, swim and tennis wear. Pay us a call after today's game.

TODAY'S WINNER: A presentation takes place on the pitch at halftime today of a £1,000 cheque to Miss Cummin of Ongar, another winner in our Cockney Pride lottery.

TRAVELLERS' NOTE: If you are going to East Anglia via Liverpool Street Station this season, remember our lottery tickets are available from Orient's own kiosk at this terminus. You could cover your holiday expenses — and more....
